MEMORANDUM OF INTERVIEW

PERSON INTERVIEWED : Erika Girardi
DATE OF INTERVIEW : 10/16/2017
PLACE OF INTERVIEW : Telephonically
CASE NUMBER : 403-771-176436
INTERVIEWED BY : SA Kenneth Henderson (USSS),

On 10/16/2017, I spoke with Erika Girardi to discuss a possible delay in the case and her schedule in March.

Mrs. Girardi told me she had nothing scheduled in March and is still willing to testify to "fuck Chris" (the defendant, Christopher Psaila). She asked how long the trial would take. I informed her that trials start on Tuesday and usually take about a week.

She also inquired about why Psaila hadn't pled guilty in the case. I told Mrs. Girardi that Psaila was facing multiple years of jail time for his actions which may be why he hasn't pled guilty yet.

I informed her that I would be in contact if the trial did face a delay and when the new trial date would be.
