Ok got it. See you tomorrow!

Aug 25, 2015 Marco and his team begin designing
at the request of Michael Minden and Laia Ribatella,
creating several styles for performances on
Sep. 5 (filmed San Diego perf for RHOBH)
Sep. 19 (Las Vegas Perf @ Bellagio)
Oct. 31 (Miami Perf Rock the Troops)
Nov. 8 (Palm Springs Pride)

A design is confirmed and Marco and his team begin the process of creating the new garment. This approval is only starting point. The design can change in any number of ways from this point to delivery, including but not limited to- cut, color, and style or fullness of embellishment
Quantity may vary as Laia generally would have duplicates made after final approval, and throughout the year.

Oct 21, 2015 As is customary, Marco relays design confirmation to Chris, who in turn runs card on file.

Acknowledging that the payment for the Nov. 8 to begin production, Laia texts Chris to schedule fitting for the following Monday, Oct 26.

Oct.25 2015 Laia moves fitting to Tuesday, Oct 28

Oct 27, 2015 Laia moves fitting to Wednesday, Oct 29.

She then requests to meet about a last minute look this would have been to revamp the black flame catsuit with crystal and to begin design on the gold and black leotard embellished with crystal and beaded fringe referenced in Count 2

Due to EJ being in Miami over the Halloween weekend, for a performance on the Big E for Rock the Troops Fitting is moved to Nov. 3, 2015.

At Laia's request, fitting is moved last minute to CenterStaging in the Valley
